

# LE NID DE L'ISLE®

## HOUSEHOLD AND HYGIENE MANAGEMENT INFORMATION IN THE CONTEXT OF COVID 19

### Supplementary procedure to the standard household

**From 11 May 2020, the owner undertakes to follow the following additional procedure between each vacationer :**

1. Aeration of the entire apartment for at least 20 minutes.
2. Disinfection of all high surfaces in contact with hands with an active disinfectant according to EN 14476 (recommended as part of COVID 19 ).
3. Minimum 60°C machine cleaning of all bed sheets, pillowcases, towel, cloth and towels.
4. A individually wrapped soap is available to our guests for hand washing.

*Le nid de l'isle® take care of you !*
